

Perry Fred Stone, Sr. -

It is with saddened hearts that the Lighthouse Church brings you the announcement of the passing of Perry Fred Stone Sr. To know Perry Stone Sr and his character was to know God himself. He was a tremendous man of God. None like him and he cannot be replaced. Please remember the Stone Family in your prayers as they are going through this great loss. God had spoken to Evangelist Barbara Lynch at the beginning of the year that we were going to be losing some powerful men and women in the Spirit. And so it begins...

With Deepest Sympathy,
Bro. Chris

The Reverend Fred Stone, Sr., servant of the Most High God, breathed his final breath on earth and was ushered to his grand homecoming in Glory on Thursday, March 10, 2011 at 11:15 a.m.

Born February 11, 1933, he was saved during a great revival in the coalfields of West Virginia and began his ministry at the age of 17. For nearly 60 years, he faithfully served as evangelist and pastor with the Church of God, travelling in his later years with his son, Perry, Jr.

Fred was known by friends and family as a man of integrity, a great prayer warrior, and a man of great faith. He did not leave material wealth, but he left a good name and a spiritual legacy.

He was preceded in death by his parents, William H. and Nalva Dunford Stone.

He will be greatly missed by Juanita Stone, his wife of 56 years; his children, Diana Stone, Perry Fred Stone, Jr. and wife, Pam, Phillip Stone and wife, Kerry and Melanie Stone, all of Cleveland; his four grandchildren; his 7 living brothers and sisters; and friends around the world.

The family knows that Fred's mantle for ministry passed to the younger generation when he departed so the family requests that you donate toward something that will last for eternity.
