**Katie Souza:** Job 41 says that *“Leviathan is the king over the children of pride.”* I decree right now that the fire of God is going to the root inside of you of pride. Every place where you've thought prideful thoughts, said prideful words, and had prideful emotions that have controlled you, right now are being burned up by the fire.

Every mindset based on pride is being burned up with fire. Every stronghold inside your thoughts, inside your emotions, that is based on pride, is being burned up with fire. You will no longer have anything in common with the king over the children of pride because the fire, fire, fire of God is burning up every wound inside of you that came from the sin of pride.

Isaiah 27 says that *“The Lord will stride against the briars and thorns, the wicked internal foe, and burn them up together.”* I command every single wound that's inside of your soul-man to come together in one place and be thrown on the fire like a massive bonfire inside your soul so that every root, and every branch, and every wicked and proud thing can be burned up with fire right now. The fire is burning. I can hear it crackling as the briars and the thorns are being thrown on the bonfire, and it's getting higher and hotter, and it's becoming that unquenchable fire that will burn up the chaff inside of you, that will burn up every wicked internal foe that's allowing the enemy to assault you. God is burning up every briar and thorn altogether. Everything inside your soul that would stride against the Lord is being burned by His unquenchable fire!

You're being healed. You're being filled with fire. It's unquenchable fire. Leviathan can't put it out. No other spirit can put it out. Your own sins and shortcomings cannot put it out. Your own faults and weaknesses can't put it out. God's love is so extreme for you that He's sending His fire and burning up every wicked internal foe inside of

you that's allowing Leviathan to be there. Then the Lord will come with His sharp and unrelenting, great and strong sword, and visit and punish—punish Leviathan—that swiftly fleeing serpent Leviathan, that twisting and winding serpent, and He will slay the monster that's in the sea.

I decree everything that's in you, that's in common with your spouse, that's allowing Leviathan to come between you is being burned with fire. I decree everything in your soul that you have in common with your family members that's causing division and strife is being burned up right now by the fiery Presence of God. I decree every wound in your inner man that's causing splits and problems in your church, in your ministry, in your business, or any other part of your life is being burned up by fire, unquenchable fire, fire diffusing into your soul, fire burning up every wicked and proud thing inside of you, and leaving nothing behind, not even root nor branch!

And I decree every place in your body that Leviathan is bringing disease and disorder is being burned up with fire, unquenchable fire, blazing fire, burning fire, fire that cannot be extinguished! It's burning, burning, burning inside your body; burning, burning, burning inside your soul. Fire, fire, fire burning every briar; fire, fire, fire, burning every thorn; fire, fire, fire burning every wicked internal foe that you have in common with Leviathan!

*Acts 28, "Now when they had escaped, they found out that the island was called Malta. And the natives showed us unusual kindness; for they kindled a fire and made us all welcome, because of the rain that was falling and because of the cold. But when Paul had gathered a bundle of sticks and laid them on the fire, a viper came out because of the heat and fastened on his hand. So, when the natives saw the creature hanging from his hand, they said to one another, 'No doubt this man is a murderer whom, though he has escaped the sea, yet justice does not allow to live.' But he shook off the creature into the fire and suffered no harm. However, they were expecting that he would swell up or suddenly fall down dead. But after they looked for a long time and saw no harm came to him, they changed their minds and said that he was a god."*

*"In that region there was an estate of a leading citizen of the island, whose name was Publius, who received us and entertained us courteously for three days. And it happened that the father of Publius lay sick with a fever and dysentery. Paul went into him and prayed, and laid his hands on him and healed him. And when this was done, the rest of those on the island who had diseases also came and were healed. They also*

*honored us in many ways; and when we departed, they provided such things as were necessary.”*

I decree that we're building a fire—a mighty, roaring, blazing fire—that will drive out every serpent that is hidden that you've been carrying around. Paul gathered up a bundle of sticks and was carrying it around totally unaware that a poisonous viper was hiding inside. That is, until he threw that bundle on the fire and the heat of the flames drove that serpent out of hiding.

I speak to every serpent that is hiding in your life and I say, “Fire, fire, fire! Be driven out of your hiding place by the fire of God!” Every serpent that might be hiding on your mind, I command it to come out into the open because of the mighty unquenchable, flaming fire of God! Every serpent that's wound around your will and your emotions, I speak, “Fire on you! Fire on you! Fire on you! Come out of your hiding place, now, because of the fire of God!”

I decree that the fire is getting larger, blazing higher, like a huge bonfire in inside your soul. All the chaff is being burned up and now that fire is loosening up every serpent that's been embedded in any part of your life, including your body, including your finances, including your ministry, including your church, including your family. The fire is blazing hot, unquenchable fire driving every hidden serpent out into the open.

“Satan, you old serpent, I drive you out by the power of the fire of God! Jesus Christ has baptized us with the Holy Spirit and fire. Fire has come down from the heavens like on the day of Pentecost. It has clothed us. It's endued us with power and it has diffused into our souls. We've been healed of the chaff and the wicked internal foe inside of us. And now, that same fire, fire, fire is driving you and every other demonic serpent out of hiding into the open where we can see you right now! And even if you bite us, like you bit Paul, we will shake you off into the fire and be left totally unharmed, totally unharmed, because of the fire of God!”

I decree more fire, blazing hot fire, unquenchable fire burning right now! And it doesn't matter how long a serpent's been there, how deeply it's embedded. It will come out, now, because of the fire, fire, fire of God. Flames are getting hotter, flames are getting higher diffusing into our souls and driving out the serpents into the open where we can see them.

I decree dreams, visions, biblical insights, and revelations as the Holy Spirit shows us these serpents while they're running for their lives away from the fire. "You're being exposed right now, Satan, you old serpent!" Every single demonic snake has no choice but to be exposed, and be uncovered, and be hidden no more because of the fire of God, and I decree that you will go forth like Paul, when he had dominion over that snake, he went on to heal every snake-infested person on that island. You will do the same as you're being healed of every demonic serpent that's been assigned to assault your life. You will begin to turn around and heal others. You will take up serpents as Jesus instructed us in The Great Commission, and you will cause people to be healed of diseases and disorders of every kind because of the fire, and because you now have nothing in you that's in common with the enemy, so he has no power over you!
