Katie Souza: *Isaiah 10, "Therefore the Lord, the Lord of hosts, will send leanness among his fat ones; and under his glory, He will kindle a burning like the burning of a fire. So the Light of Israel will be for a fire, and His Holy One for a flame; It will burn and devour the Assyrian thorns and briars in one day, and it will consume the glory of his forest and of his fruitful field in both body and soul."*

I decree the Light of Israel's becoming a fire and His Holy One a flame, and it will burn and devour every thorn and brier in your soul that came from the scaly Assyrian king.

God is kindling a burning, like the burning of a fire. He is sending leanness amongst the fat enemies of your soul. He's consuming their glory with His fire, and He's consuming their fruitful field in your life with His flames. You're being healed right now in both soul and body by the Light of Israel that's becoming a fire, and His Holy One, who is a flame. Receive the burning, fiery healing, and deliverance Presence of God now!

Fire, fire, fire, fire, fire, fire, fire, fire, fire, fire, fire, fire, fire, fire, fire! Fire on your soul! Fire on your body! Fire on your finances! Fire on your homes! Fire on your families! Fire on your loved ones! Fire on your bank accounts! Fire on your ministries! Fire on your church! Fire on your business! Fire on your possessions! Fire on every part of your life! Fire is burning up the briars and thorns in one day—in one day, in one day—in both soul and body!

Isaiah 66, "When you see this, your heart shall rejoice and your bones shall flourish like grass. The hand of the Lord shall be known to His servants and His indignation to His enemies. For behold, the Lord will come with fire and with His chariots like a

whirlwind to render His anger with fury and His rebuke with flames of fire. For by fire and by His sword, the Lord will judge all flesh, and the slain of the Lord will be many."

Yes, Lord! Come with Your fire! Render Your anger and Your fury through rebukes of flames of fire! Bring Your fire and Your sword to judge everything in our flesh that is not of You. Bring Your fire and Your sword to judge every place in our soul that's allowing the enemy to assault us. He says, *"The slain of the Lord shall be many."* Slay the enemy now! Rebuke them with flames of fire. Burn them up with a whirlwind of fire now! We'll receive the visitation of Your mighty hand, and then our hearts will rejoice. Then Isaiah 66 says, *"Our hearts will rejoice and our bones will flourish like grass, and the hand of the Lord will be known to us, His servants, and His indignation to all our enemies."* Fire, fire, fire, fire, fire!

Acts 16, "And it came to pass as a went to prayer, a certain damsel possessed with the spirit of divination met us, which brought her masters much gain by soothsaying. The same followed Paul and us and cried saying, 'These men are servants of the Most High God, which show unto us the way of salvation.' And this she did for many days. But Paul being grieved, turned and said to the spirit, 'I command thee in the name of Jesus Christ to come out of her!' And he came out that very hour. When her master saw that the hope of their gains was gone, they caught Paul and Silas and drew them into the marketplace unto the rulers. The multitude rose up together against them, and the magistrates rent off their clothes and commanded to beat them. When they had laid many stripes upon them, they cast them into prison, charging the jailer to keep them safely."

The word "divination" there means "python." That woman was possessed by a spirit of divination, and she brought her masters much gain by soothsaying. But it was illegal gains, for this python spirit is in charge of illegal, cursed money, and likes to wrap itself around your finances, your savings accounts, your checkbooks, your car payments, your house payments, every part of your debt, and squeeze it so that you cannot prosper and so you will forever remain in debt.

But now I speak fire into your soul on any place inside your inner man that you have in common with the spirit of python! Right now, in Jesus' name, all divination, all witchcraft, all rebellion that you have in your inner man—that you've either committed in your lifetime or from your ancestors—is being burned up with fire right now! Every single wound that came from sins of bad stewardship or extortion, theft,

gambling, misuse of funds, right now, is being burned up by the Holy Fire of God, the unquenchable fire of Jesus Christ! I decree it's defusing into your soul, into every place in your inner man that you have in common with Python.

You're being healed right now by the fiery Presence of God. The unquenchable fire right now is burning up every wicked internal foe, burning up every brier and every thorn, leaving neither root nor branch! Anything inside your soul that you have in common with the python that's controlling your finances is being healed and burned up right now, in Jesus' name!

Any place in your thoughts where you think wrong thoughts about how to handle money is being burned with fire! Any wound connected to your will that's caused you to make bad choices with your money is being burned up right now by the Holy Spirit and the baptism of fire! Any place in your emotions that's controlling your spending right now is being burned with fire right now, as that fire diffuses into your soul and burns up the chaff with unquenchable fire! I speak fire on your checkbook, fire on your savings accounts, fire on your investments, fire on your house payments, fire on your debt, fire on your credit card, fire on any financial endeavors you have, fire on your business, fire on your ministry, fire on your savings account! I speak fire, fire, fire on any part of your life that is involved with financial transactions and financial decision-making!

You're burning with fire! I decree it. You're burning with fire right now. You're like a flame of fire. You're being filled with fire, consumed with fire. It's unquenchable fire. Python can't put out the fire, nothing can put out that unquenchable fire. It's burning. It's burning. It's burning hotter and hotter and hotter, sizzling, leaving nothing behind, no root, no branch, inside your soul! No proud thing, no wicked thing, no rebellious thing, nothing in common with Python is being left behind as the fire blazes through your soul, and that fire is driving Python out of its hiding place! It can no longer be stealth, be hidden, and be controlling your finances! It can no longer squeeze you and prevent you from prospering! It can no longer wrap itself around you and keep you in debt! Fire, fire, fire on the python spirit, driving it out of its hiding place!

It has to let go because it's afraid of the fire. You've been carrying around a python spirit all this time, just like Paul was carrying around that poisonous viper inside that bundle of sticks. But when he threw that bundle on the fire, the flames drove that

viper out of its hiding place. I decree right now, we're throwing everything on the fire that's connected to your finances, your checkbook, your savings, your wallet, your purse, your bills, your debts, and your house payments! We're throwing it on the fire right now, and that serpent, that python serpent that's been squeezing your profits out, is being driven out because of the heat of the flames! Fire, fire, fire! Fire on the python! It's got to let go of your finances right now! I drive it out by the power of the fire right now, in the name of Jesus!

That voice you've been hearing in your mind that sounded like God but wasn't God at all, that was trying to make you feel condemned and ashamed—like you needed to fast more, pray more, do more, earn His love—that was the voice of the python sounding like God. Just like when that woman with the spirit of divination was saying those godlike things, *"These men are the servants of the Most High God, which are showing you the way under salvation."* It sounded so godly, but it was from a demonic serpent of python. It said Paul was grieved. He knew something was wrong. So, he cast that serpent out, and he came out of that woman that very hour.

Yes, we speak fire on that serpent, fire on every wound that allowed us to receive that voice as the voice of God, fire on any place in us that was causing us to feel condemned, ashamed, not worthy of God's love, unhappy, unfulfilled, feeling sad, feeling like we want to give up, feeling like we want to quit. We command that the fire would heal us now of every place inside of us that has caused that python to be able to speak into our lives, to try to fool us, to try to control us, to try to make us feel condemned and ashamed. I drive that python out now by the power of the fire, the unquenchable fire of Jesus Christ!

Zachariah 2, *"For I,' says the Lord, 'will be a wall of fire around her. I will be glory in her midst.'"*

Now I decree that the fire of the Lord will act as a wall of protection around us to keep every serpent away from us and prevent them from ever returning into our lives again. I decree that you will always be filled with fire. You will keep yourself tuned up with fire. You will decree fire scriptures. You'll keep on leaning into the fire to keep yourself healed so that the serpent never returns, and that fire will become a wall around you, and God will become a glory in your midst! Fire, fire, fire, a wall of fire around you, and His glory in your midst! In Jesus' name! Amen!
