**Calling God's Elect**

## **A Work**

Evangelist Barbara Lynch

The dying ones are those who refuse to trust and believe My Word. Life is in My Words that I speak, and all those who refuse those words are dying on the vine. I am working a work that the church has never seen before and will never see again. This work is powerful and full of authority to bring down the strongholds of darkness that looms all around about this nation.

The enemy has devised an evil scheme to destroy America, but I have spoken a word of truth over this land, and it shall rise up, and it shall take its rightful place once again. But before this happens, many changes must occur. America is right on the fringe of destroying the enemy's camp. It is fighting for its very life. The intercessors have stood up and said enough is enough, you will go no further, and as they continue to stand and profess this mandate, the walls of destruction will fall, just as the walls of Jericho came down.

The enemy is not the all-powerful one, as some suppose. I AM that I AM, and there is none above Me now or ever will be. Read your word carefully, and you will see how My Son defeated the enemy at every turn. He knew how to fight the wicked one, and He would not back down. The same goes for today as it did when He walked the earth. Don't back down from the powers of darkness. Your light has more power than darkness, and it is your light that defeats the enemy at every turn.

Keep your lights burning, CHOSEN ONES. Do not hide it, but let all see that light burning brightly, especially in the tests and trials. Did not My disciples keep fighting no matter how hard the fight? Then you need to do the very same thing. You see, if you studied My Word, you would understand Spiritual Warfare in its fullness. You would understand courtroom procedures, You would realize that ALL IS WELL, no matter how hard the battle.

Matthew 5:14-16 (ESV)

14 "You are the light of the world. A city set on a hill cannot be hidden.  
15 Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. 16 In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven.

### **The Voice of the Lord Walking**

"And they (Adam and Eve) heard the voice of the Lord God walking in the garden in the cool of the day, and Adam and his wife hid themselves from the presence of the LORD God amongst the trees of the garden."  
(Genesis 3:8, NKJV emphasis mine)

Adam and Eve heard the "voice" of the Lord "walking." Voices do not walk, but we are specifically told that the "voice" of the Lord was walking.

There is a specific reason why the "voice of the Lord" is revealed to Adam and Eve as "walking." They had been told that they would die if they ate of the tree of knowledge. Through deception, they had partaken and died spiritually. As a result, they are now hiding from the Lord, but can still hear His voice.

The voice that told them that they would die if they partook of the tree of knowledge now has a further word for them. Thus, the voice of the Lord is walking, as now He has something to say to them that is beyond what He had previously said.

"Then the Lord God called to Adam and said to him, 'Where are you?'"  
(Genesis 3:9, NKJV)

The Lord is not asking for their physical location, as He already knows. Rather, He is asking for a confession concerning what they have done. As a result of this confession, they are then covered with the skin of an animal, and are forgiven.

So also today, the Lord has a "present word" for us that is beyond that which He has previously spoken to us. Thus, His "voice" continues to walk. Yesterday, the Lord spoke a word to us that we could hear and understand. Today, He has a word that is beyond that which He spoke yesterday. And tomorrow, He desires to speak a "word" that is beyond the word that we heard today.

"He who has an ear, let him hear what the Spirit says to the Churches."  
(Revelation 3:22, NKJV)

For us to hear this "present word," there must be a further preparation that will enable us to hear.

### **New Wine Bottles**

"And no man putteth new wine into old bottles; else the new wine will burst the bottles, and be spilled, and the bottles shall perish. But new wine must be put into new bottles; and both are preserved." (Luke 5:37-38, KJV emphasis mine)

We are this bottle. Jesus is telling us that we must have a capacity to hear a fresh word from Him that is beyond our present ability to understand. Therefore, we must have a spiritual ear with the capacity to hear fresh revelation and understanding, beyond that which we heard in the past.

Throughout the course of history, there have been specific times of intervention in which the Lord used an individual to change the course of history. Examples of this are Noah, Abraham, Moses and Mary. The Holy

Spirit came to Mary and told her she was to bear a Son, apart from any relationship with a man. Other than the prophetic word, there is no Scriptural reference for this.

Each of these past times of specific, divine intervention lifted mankind from one level of His workings and dealings to a higher level.

### **I Stand at the Door and Knock**

At this present time, the Lord is knocking on the door of our spirits to prepare us so that He can again move in direct intervention, as we have arrived at the time in which the Church Age is closing, and we are beginning to move into the Millennial Kingdom Age.

"Behold, I stand at the door, and knock: if any man hear My voice, and open the door, I will come in to him, and will sup with him, and he with Me." (Revelation 3:20, KJV)

"To him that overcomes will I grant to sit with Me in My throne, even as I also overcame, and am set down with My Father in His throne." (Revelation 3:21, NKJV emphasis mine)

"After this I looked, and, behold, a door was opened in Heaven: and the first voice which I heard was as it were of a trumpet talking with me; which said, Come up here...And immediately I was in the spirit: and, behold, a throne was set in Heaven, and One sat on the throne." (Revelation 4:1-2, NKJV emphasis mine)

These Scriptures begin with Jesus knocking on the door of the Church, and end with Him in His Kingdom, seated on the throne with those who are overcomers.

In past times, these interventions related to an individual, but this present intervention will come through a corporate remnant, a body of "overcomers" prepared by the Lord for this end-time transition, whose voice will be "as the sound of many waters" (Revelation 1:15). This is a corporate voice in which all are saying the same thing.

### The Importance of the Holy Spirit (Part 3)

By Theresa McGinnis

Last week we left off with Paul in Ephesus in Acts 19. He had run into a bunch of believers who had been saved and had been baptized in water but had not had the Baptism of the Holy Spirit. In Verse 3 Paul says to them, **“Into what then were you baptized?”** Their answer was, **“Into John’s Baptism.”** And Paul stopped to explain to them what they were missing. In verses 4-6 it tells us, **“Then Paul said, ‘John indeed baptized with a baptism of repentance, saying to the people that they should believe on Him who would come after Him, that is, on Christ Jesus.’ When they heard this, they were baptized in the name of the Lord Jesus. And when Paul had laid hands on them, the Holy Spirit came upon them, and they spoke with tongues and prophesied.”** Notice what happens when the Ephesian believers receive the baptism in the Holy Spirit: they spoke with tongues and prophesied. We see this pattern again and again throughout the book of Acts.

There are three who bear witness in heaven and on earth. Go to **1st John 5:7** and it tells us, **“There are three that bear witness in heaven: the Father, the Word and the Holy Spirit; and these three are one.”** The next verse goes on to say, **“And there are three that bear witness on the earth; the spirit, the water and the blood; and these three agree as one.” (v.8)** Here we have the three baptisms in reverse order. The three witnesses on earth are the Holy Spirit baptism, water baptism and salvation through the blood of Jesus Christ. Each of the baptisms represent a distinct work of grace that God wants to do in your heart and life. Salvation is a miraculous work of grace upon the heart, Water baptism is also a work of grace in and upon the heart of man. And a believer’s baptism in the Holy Spirit releases within us the supernatural empowerment to do all that God calls us to do.

Why did Jesus command His disciples to wait in Jerusalem until the promised Holy Spirit came? In Jesus’ own words, **“they would be clothed in heavenly power” (Luke 24:49)** And would receive empowerment to be witnesses for Him all over the world, **(Acts 1:8)** and do even greater things than He had done. **(John 14:12)** When you are first saved, you become a new person, then you are baptized in water and the old is washed away, the old person cut off. And when you are baptized in the Holy Spirit, then you receive the power to walk in the new. The third baptism is the one that makes the whole difference in your day-to-day walk. Before the Holy Spirit enters your life, you are filled with this world’s frustrations and failures, but when the Holy Spirit comes on the scene, He will teach you a whole new way to think, to act, to live! Now that God’s Word is alive in you in new ways, you will find scriptures coming to mind at critical times of need or temptation. Many of these new ways become a way of life. Many Christians are living lives of defeat, frustration and failure, as you did before you opened your heart and mind to the third baptism. It is too wonderful to have God the Holy Spirit as a best friend, why would you want to do anything else?

**“Revival is not just a feeling of excitement of the Lord. We get excited about many things, but excitement is not a revival if God is not the thing that gets us excited.”**

- Jerry Falwell.

## **Anything Left in Here, God?**

Aaron Betz

**Job 12:22** He reveals the deep things of darkness and brings deep shadows into light.

How deep do the shadows go? When we look at the world around us, we could say that they go very deep: deeper than we know.

**Hebrews 4:13** Nothing in all creation is hidden from God's sight; everything is uncovered and exposed before the eyes of Him to whom we must give account.

According to the understanding of the times we are in, one can see that we are in a process of uncovering. As things unfold, society as a whole may be faced with certain hard truths. The church is being poised to be a stabilizing voice when the unraveling comes. When darkness has hidden successfully for so long, many people may have trouble believing what the truth may bring to light. Some may choose to believe the lie over the truth, as some do not want to face the darkness, and have even become comfortable with it.

We may have the same issue in our personal lives. Are there any hard truths that God desires to show you about yourself? Is there anything within you that the enemy is still able to use against you?

**1 Corinthians 4: 5 [BSB]** Therefore judge nothing before the appointed time; wait until the Lord comes. He will bring to light what is hidden in darkness and will expose the motives of men's hearts.

Are there any parts of you that are still needs cleansing? I believe that if you have been crying out for freedom and asking God to deal with you, He is doing just that at this time. He may be walking you out of a state of confusion and deception as we speak.

Allow God to bring you clarity at this time. Give Him time to really show you what is going on. Don't let your own thoughts or understanding answer a question that only He can answer; wait a little longer, ask a little deeper.

**Isaiah 55:8** For My thoughts are not your thoughts, neither are your ways My ways," declares the LORD.

**1 John 1:5b** God is light, and in Him there is no darkness at all.

Resolution is on its way. Don't settle for temporary comfort or half of an answer, let God finish a deep work that may require healthy confrontation.

## The Last Hour

Reverend Kathryn Gore

In 2 Timothy Chapter 3, Paul writes to Timothy about Perilous Times and Perilous men. “**3**But know this, that in the last days [a]perilous times will come: **2** “Men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, **3**unloving, [b]unforgiving, slanderers, without self-control, brutal, despisers of good, **4**traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, **5**having a form of godliness but denying its power. Men will resist the truth, have corrupt minds, disapproved concerning the faith.” This will be a time full of danger or risk [perilous], people will live this in their hearts. Selfish attitudes, wrong motives, prideful spirits, living against God. Children will not listen to their parents, people will become ungrateful, living a life of impurity. They will be filled with hate, unforgiveness, speaking falsely against one another; having no self-control, savagely violent, hating the good in life; backstabbing one another, being self-willed and unruly. They will be all about themselves wanting to have their way, instead of following the ways of God.

God used the prophet Isaiah to speak that darkness shall cover the earth, and gross darkness the people [Isaiah 60:2 KJV]. Do you know what gross means? Thickness, density {solidness, tightness, hardness}. Have you ever tried to rip, pull apart, tear or cut through something that was so thick that it caused you injury or frustration? It made you want to give up and walk away from what you were trying to achieve. This gross darkness will carry such a heaviness that it can spiritually and physically wear you out. But God also said “Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee. **2**For, behold, the darkness shall cover the earth, and gross darkness the people: but the Lord shall arise upon thee, and his glory shall be seen upon thee. **3**And the Gentiles shall come to thy light, and kings to the brightness of thy rising.” We need to stand up [arise] and be the light that shines in the darkness. The glory of the Lord will rest upon us as we go forth in these last days. “For at one time you were darkness, but now you are light in the Lord. Walk as children of light.” [Ephesians 5:8](#)

Though we are living in the last days, God has prepared us for such a time as this. He’s working behind the scenes getting us prepared for the biggest event in church history, **The Harvest**. Paul told Timothy to stay away from perilous men but those who belong to the Lord, they are coming into the Kingdom of God. They will be drawn to the Light and we will see true salvation take place as the glory of God rises upon us. All that we have faced, the price that we have paid thus far, will be worth it all.

[Isaiah 42:16](#)-And I will lead the blind in a way that they do not know, in paths that they have not known I will guide them. I will turn the darkness before them into light, the rough places into level ground. These are the things I do, and I do not forsake them.

[Matthew 4:16](#)-The people dwelling in darkness have seen a great light, and for those dwelling in the region and shadow of death, on them a light has dawned.”

## **Re-thinking Overpopulation {Pt 2 of 3}.**

Reverend Christopher Gore

We ended Part 1 talking about Eugenics... So, if you had a birth defect, or some genetic problem in your family, they would identify those "bad" traits and keep you from having children or if they suspected a woman who was with child had these "bad" traits they would counsel her to abort her child. Sight unseen. Just based upon some genetic testing. All of this is being done by the enemy and he has placed this belief system out amongst the population to further his agenda.

**"25**They traded the truth about God for a lie. So, they worshiped and served the things God created instead of the Creator himself, who is worthy of eternal praise! Amen." Romans 1: 25 {NLT}.

Rooted in the core of this belief is the worship of created things. The earth is a created thing. I am finding that those who are deep on the dark side like Bill Gates and George Soros have strong ties to earth worship and other forms of witchcraft. Because these are all tied to the enemy, they follow the same demonic principles. We learned many years ago that those who were deep into the occult send people into Churches to change and draw the people away from the truth of the Bible. They did this by introducing these beliefs into Sunday School lessons for adults and children. The false teachers only had to do this for a short period of time before they had changed the belief systems of entire Churches.

The innocent people who are being duped by these beliefs have no idea that this is what they were doing. The enemy knows. The enemy has planned this out from the very beginning. Anything that the enemy can do to further his agenda he is going to do. We must be vigilant in this hour at what we hear and receive as truths from God. Some of these truths are not from God but from lies from the enemy. A part of this teaching/belief about the overpopulation of the earth centers around the starving children in Africa. They take this true situation and fill it with the falsehood that the earth is overpopulated. They then send "helpers" into Africa to start their plan of killing children.

They use situations like these in their teachings to promote their belief that the earth is overpopulated. They use our human compassion against us. They know what the truth is but they are forever pushing the agenda of satan. These false teachers are so deceptive at what they do. They use every form of persuasion and demonic anointings to convince the people that they are right. The earth is in turmoil because there are too many people on it. The earth cannot take anymore. They even go so far as to say that this is the reason for the strange and unusual weather events that occur like hurricanes and tornadoes. Thanks for reading, we will continue with Part 3 of 3 next week.

## Heart Attack

Reverend Naomi Nichols

Each week I will talk about different types of emergencies that will help you give first aid to anyone.

### WHAT TO DO FOR A HEART ATTACK

#### WHAT IS A HEART ATTACK

A heart attack occurs when part of the heart muscle doesn't get enough blood due to a blockage. The more time passes without treatment to restore blood flow, the greater the damage to the heart muscle.

#### SIGNS OF A HEART ATTACK

1. Pain and tingling in the left hand that radiates up the arm and into the jaw.
2. Tightness or heaviness in the chest described as an "elephant sitting on their chest".
3. Aching sensation in the center of the chest which can spread to the neck, jaw and back on the left side
4. Shortness of breath
5. Excessive sweating, fast pulse rate and lightheadedness
6. Nausea, vomiting, indigestion or heartburn

#### TREATMENT

1. Immediately call 911
2. Have them lie down and keep them warm and calm
3. Ask if they have Nitroglycerin prescribed by their doctor and place it under their tongue which will be absorbed immediately and alleviate the chest pain
4. Give them one adult aspirin to chew OR two baby aspirins to chew
5. DO NOT take the patient to the hospital yourself because the patient could go into cardiac arrest on the way and in order to do CPR you would have to get them on a flat surface out of the car.
6. When the paramedics get to your house, they can start treating the patient with medication,

Oxygen, EKG and communicate directly with the doctor in the Emergency Room

## **The Whisper and the Word**

Reverend Brett Connell

Life is full of little whispers. Each and every day, our ears are open to these tiny little unctious from three primary sources. The loving voice of God, which is a true reflection of the Word of God, the cunning voice of the enemy which will always give itself away by being contrary to the Word and the character of God, and then the whispers of the flesh which speaks to our carnal mind.

Anyone will at some time wrestle with these voices, and will be unsure of their true identity until we settle ourselves in the presence of God and ask for discernment. This is something we must all come to understand, that none of us are above deception and the need to stay close to God in intimacy and obedience is the highlight of this hour.

We cannot forget about the Courtroom of Heaven – God has taught us about this and has used many of His servants to share the wisdom He is giving each of them, so that we may go forth and utilize this gift and blessing to further God's Kingdom. The enemy is attempting to disqualify each of us from fulfilling our destiny, as he tried to do with Peter by denying Jesus... and it is truly up to us whether or not he succeeds.

We have all fought so hard, and gone through so much to get to where we are. We must gird up and be moved by what the Spirit of God is saying through our Pastors, teachers, and leaders in this hour. We cannot afford to let the enemy win. God recently told us again through Pastor Barbara that His glory is here and is upon us – the Light is inside of us and we are His chosen vessels predestined before the world was formed. We must get this truth into our spirit so that we can withstand everything the enemy throws at us.

Jesus has already won the victory, and has brought that victory to us. We know that it is because of Jesus that all things are possible in His grace, but God looks down on us and smiles because of our determination and steadfastness to always choose Light and remain in Him no matter how much we suffered. Let this strengthen your relationship with God, and draw you closer to Christ which will dispel the darkness around about us exactly as He promised.

So, which whisper is guiding you this day? Do the voices line up with Scripture, with the character of God? Is there something in that tone of voice you're hearing that is just a little off? One little word that sticks out of place? Beware of the enemy's tactics and sly, cunning words. Ask for discernment. Don't be afraid to place the situation on pause and seek God before making a decision or choosing one way or the other. We will know our Father's voice if we become still in our spirit and ask for discernment. God's truth will always have peace accompany it.

## **Pumpkins – Good For Your Health - Part 1**

Nancy Connell

When you hear of pumpkins, you think of pies and decorations for the fall. However, there is more to a pumpkin than you may think. The inside of the pumpkin provides a range of health benefits.

A pumpkin is a type of squash. It is a plump, nutritious orange vegetable and highly nutrient-dense food. It is low in calories but rich in vitamins and minerals, which are also in its seeds, leaves, and juices. You can use it in many ways in desserts, soups, salads, preserves, and even as a substitute for butter that will help you take advantage of its benefits.

Pumpkins contain beta carotene. Beta carotene is a powerful antioxidant that gives orange vegetables and fruits their vibrant color. The body converts any ingested beta carotene into vitamin A. As a result, it may help reduce different types of cancer, such as prostate cancer and colon cancer. It also can help protect against asthma and decrease the risk of age-related macular degeneration because of its high doses of vitamin C, vitamin E, and beta carotene.

Other great benefits that come from pumpkins can also be a decrease in risk of obesity, fight from having diabetes because adding it to your diet helps lower the sugar intake, promote a healthy complexion, hair health, increase energy, and more.

Using pumpkin in your diet can help regulate your blood pressure and help fight against heart disease because it is good for your heart. In pumpkin, you will find fiber, potassium, and vitamin C. All of this is good support for your heart health.

Because pumpkin is an excellent source of fiber is another reason it is so great for your heart. Fiber slows the rate of sugar absorption into the blood, promotes regular bowel movements, and makes digestion easier. Taking in the correct dose of fiber and the beta carotene found in the pumpkin can also help reduce the risk of colon cancer. So really, it is a win, win.

You can eat the fleshy part of the pumpkin, which you use in pies and can use as a substitute for butter. You can also eat the seeds. As a kid, I would take the seeds left over from the pumpkins and clean them off with water. Then I would take a little bit of butter and a pinch of salt and microwave them and eat them. Little did I know I was eating a snack that was very beneficial to my health.

Next week we will look into the nutritional value of the pumpkin exactly and how to incorporate it in with your daily or weekly diet.
