Much Rain Will Fall Upon the Land...

by Pastor/Evangelist Barbara Lynch

Joel 2: 1 - 13 (ESV)

1 Blow a trumpet in Zion; sound an alarm on my holy mountain! Let all the inhabitants of the land tremble, for the day of the LORD is coming; it is near, 2 a day of darkness and gloom, a day of clouds and thick darkness! Like blackness there is spread upon the mountains a great and powerful people; their like has never been before, nor will be again after them through the years of all generations. 3 Fire devours before them, and behind them a flame burns. The land is like the garden of Eden before them, but behind them a desolate wilderness, and nothing escapes them. 4 Their appearance is like the appearance of horses, and like war horses they run.

5 As with the rumbling of chariots, they leap on the tops of the mountains, like the crackling of a flame of fire devouring the stubble, like a powerful army drawn up for battle. 6 Before them peoples are in anguish; all faces grow pale. 7 Like warriors they charge; like soldiers they scale the wall. They march each on his way; they do not swerve from their paths. 8 They do not jostle one another; each marches in his path; they burst through the weapons and are not halted.

9 They leap upon the city, they run upon the walls, they climb up into the houses, they enter through the windows like a thief.

10 The earth quakes before them; the heavens tremble. The sun and the moon are darkened, and the stars withdraw their shining. 11 The LORD utters his voice before his army, for his camp is exceedingly great; he who executes his word is powerful. For the day of the LORD is great and very awesome; who can endure it? 12 "Yet even now," declares the LORD, "return to me with all your heart, with fasting, with weeping, and with mourning; 13 and rend your hearts and not your garments." Return to the LORD your God, for he is gracious and merciful, slow to anger, and abounding in steadfast love; and he relents over disaster.

In the days ahead much rain will fall upon the land. The latter and former rain of My Glory. I have brought you into a new dispensation of time little ones, and in this

time frame you will destroy the enemies that have surrounded you most of your life. You will walk in freedom and newness of life. You will tear down every wall of division. You will minister in truth and in love. You will no longer be called children of the darkness; but you will be called children of the light. Your light shall shine in the darkest of places. These places have been secured by the adversary and he has had possession of them for decades and he thinks he can keep these captives in captivity. But not so, for I have raised up the remnant that I am sending forth to tear down every stronghold. I am bringing My children into a place of importance in the kingdom of darkness. They shall have a sword that has been sharpened in the furnace of affliction. This sword will tear asunder all that is not of Me. The wielders of this sword are those that know Me. They hear My still small voice. They know what it is to be down. They know what it is to sit on the backside of the dessert wondering if the dryness will ever end. They know with surety of heart that I am the maker of their souls and that there is nothing impossible with their Maker, the Almighty One.

This rain will bring with it a great harvest of souls. This is the dispensation of time that I have spoken of in Joel. Always remember from whence cometh your help. Always know that the Father of all lights stands with you in the deepest valley and on the highest mountain top. Know that wherever you go, My angelic host go with you. You need not question what I am doing, you just need to follow. You just

need to trust and obey. I have the road before you all mapped out and the enemy cannot stop My true church from coming forth this day. He knows he is defeated and he will bow his knee. I am working behind the scenes continually keeping all things in order and sending forth My mandates.

Words cannot convey the magnitude of what I am preparing for this nation. Only time will reveal all that I have been setting

our monthly newsletter created with you in mind is an outreach by Pastor/Evangelist Barbara Lynch. Her hearts desire is for this newsletter to encourage, inform, & uplift those who belong to the Father. Our goal is to provide you with timely nourishment for your soul with information that will motivate & stir your heart.

**“Daughter, tell My people My Glory is Coming...
...and don't grow weary in doing it!”**

The days ahead carry Great Sorrow; but at the same time Great Joy and Expectation. The only ones that will not experience the Great Joy and Expectation are those who stood on the sidelines too long and have allowed their hearts to grow cold because of sin, doubt, unbelief and not trusting that I would/could do what I spoke.

But you who remain in the **victory circle**, you keep giving the **victory** shout and don't you ever dare step outside of the circle for even one second. The enemy has sharp eyes and he is watching that circle very closely and he is just waiting to pounce on whomsoever.

Know that I love you and that I am with you throughout eternity and we are on a journey of our lives and we shall bring in this harvest of souls that is waiting. **(Prophecy by Evangelist Barbara Lynch; July 30, 2016)**

My dearest beloved ones – this word is for all of you that have been on the back side of the desert. You were in training for such a time as this and I am bringing you out of the desert land and I am bringing you onto good fertile soil where many souls will be brought into My Kingdom.

There are so many prophets, evangelists, leaders, teachers in the darkness and they are waiting for someone to come and pull them into the light. I have chosen each of you to be that special one that will not buckle under the heavy load of a lost soul. Paradise is beautiful to behold, but they have to be brought into paradise to enjoy its benefits.

You are the ones that have been trained in strategic warfare and you know the tactics of the enemy and you have fought many hard battles and come out on top. Now you need to train others to go forth in battle and win {every} battle, not just one or two.

My Beloved Ones it is your time. Come out of the back side of the desert and go forth in **total victory**. Lead the ones that are in darkness into the light and show them how to be light carriers.

The hour is short. The day is fast approaching for the second return of My Son and so much work yet to be accomplished.

I LOVE YOU AND I AM HOLDING YOUR HAND AS YOU GO FORTH!
(Prophecy by Evangelist Barbara Lynch; March 27, 2018)

If My people are going to live for Me; then they must do it with all their heart. There is too much deception in the Body of Christ and that deception is about to be exposed. Too many sit in My house putting on faces that are not real. I have seen the deception and I have declared **victory** to every part of the Body; but the Body is so caught up in the world that they cannot see the deception and they cannot understand nor differentiate from right and wrong living. They call upon Me and expect Me to answer when in reality they are not even serving me. I will not answer the prayers of the deceived ones; for I have made a way of escape and they will not acknowledge that way.

I have done all I can do to see that you hear the truth; now the rest is entirely up to you. Whom shall you serve is the question of the day? Will you serve the light or the darkness?

“And Jesus answered and said to him, “Get behind Me, Satan! For it is written, ‘You shall worship the LORD your God, and Him only you shall serve.’” (Luke 4:8, NKJV)

“The sacrifices of God are a broken spirit, A broken and a contrite heart-- These, O God, You will not despise.” (Psalm 51:17)

“For all those things My hand has made, And all those things exist,” Says the LORD. “But on this one will I look: On him who is poor and of a contrite spirit, And who trembles at My word.” (Isaiah 66:2) **(Prophecy by Evangelist Barbara Lynch; October 15, 2015)**

Father, here I am at your feet. I have been waiting to feel your presence; but have not, so I am coming before the throne room of grace and mercy for a word for your people.

How lovely on the mountains are the feet of those who spread good news; the good news of the second coming of My Most Precious Son Jesus. Do you not understand little one that I am surely preparing the way for My Son to come back again and gather up My Chosen Ones and place them in the eternal Now? This is the generation that I am using to prepare that way. They shall go forth as a Holy People, pure and shining full of My Glory and they are the ones that will do the greater works; for they have surely paid the price as they paved the way for others to follow.

This has not been an easy path for My Forerunners to pave; but pave they did and they have opened door after door of opportunity for all to follow and walk in the Pure Grace and Mercy of a Loving Father, who sees all and knows all.

The price the forerunners paid was just like John the Baptist; Paul and My Precious Son Jesus. They started their course and they ran well and they are finishing on the **victory** road that others will follow on. They planted and now others will come behind and reap the harvest of souls that I have pre-destined to be saved.

The forerunners will be here to see the rewards of their labors and they too shall enter into this Glory Realm and they too shall walk in all the miraculous signs, wonders and miracles.

This is the greatest hour that the church has ever seen and they shall be planters all across this nation and they shall rise up with Eagle wings and they will be unstoppable, unmovable; full of My Glory as Moses was and all will see and know that I have transformed them into the very image of My Son Jesus who walked this earth as a mortal man and paved the way for the second forerunners.

Nothing; absolutely nothing will stop this generation from accomplishing what I have already fore-ordained them to do.

This is the hour that all prophecy will be fulfilled. **(Prophecy by Evangelist Barbara Lynch; January 25, 2014)**

15 Questions to Ask Yourself As a Godly Spouse

Rev. Nancy Connell

Bringing in the New Year, there is a lot of talk about a new beginning. Why not a new beginning to be a Godly Christian Spouse or person? Here are a few things to use as a reference as to where you are faring with God, your spouse, and where you should be. The things you are not doing, you can ask God to help you start doing and work on it each and every day and watch how much it will change your life. Happy New Year!

As someone who desires to be a godly Christian person can ask themselves the following questions:

1. Is my spiritual life healthy and my top priority? (Matthew 6:33)
2. Have I willingly accepted my God-given role as a partner to my spouse? (1 Corinthians 11:3)
3. Do I seek daily to humble myself and serve like Jesus did, rather than seeking to be served? (Mark 10:44-45)

15 Questions to Ask Yourself To Help Have A Godly Marriage

4. Have I stripped my heart of idols, great and small? (Exodus 20:3)
5. Does my life show that I value my Savior, my spouse, and my family? (Galatians 5:13)
6. Am I guarding my home by what I allow to enter into my home including media? (Philippians 4:8)
7. Do I keep myself physically and emotionally pleasing to my spouse and to God? (Proverbs 27:15; 31:30)
8. Do my dress, makeup, and presentation indicate that I respect my body, my husband, and my Savior? (1 Peter 3:3-5)
9. Have I eliminated worldly vulgarities from my speech (swearing, gross talk, dirty jokes) so that my words are gracious? (Colossians 4:6)
10. Am I a wise and careful manager of household finances? (Proverbs 31:16)
11. Do I give my spouse respect because of their position, or only when I think they deserves it? (Ephesians 5:33)
12. Do I take good care of the house and children? (Proverbs 31:27-28)
13. Do I guard my spouse's heart by never revealing private discussions publicly or using their weaknesses against them? (Proverbs 31:11)
14. Am I continuing to develop the gifts and passions God has entrusted to me? (2 Timothy 1:6)
15. Am I relying on my own power or the power of the Holy Spirit to be a godly spouse, parent, and disciple? (Galatians 5:25)

An Open Heart By Rev. Brett Connell

There is nothing that receives the grace of God more than having an open heart before the Lord. In Christ, there is freedom all around despite the situations and circumstances of the world. This is a threshold of maturity in the Spirit that many cross into in their walk with God. A person who is truly submitted to God will realize that if their heart is not open in day-to-day life, susceptible to being hurt, then their heart is also not fully open to worship God in truth and Spirit. The truth is that walls are built up around our heart if we only let people so close to us, if we shut them down as a reaction to the possibility of being hurt.

There are many people who have a hard time with this truth, but often times it is not their fault entirely – but rather, unresolved hurts and pain that haven't been ministered to yet. Sometimes people don't know any better, or haven't had the opportunities for healing and deliverance that some of us have had. We must always remember 'from whence we came' and keep this mindset at the forefront when working with others around us.

The more we seek God, the more grace He pours out – for the purpose of being so close to Him that all of His attributes can be properly expressed through us. Look what Scripture says:

[John 15:13] No one has greater love [nor stronger commitment] than to lay down his own life for his friends. (AMP)

This is exactly what Jesus did for us, not just in His death and resurrection but in the fullness of His life also. We can do the very same this as the Scripture says by laying down our own thoughts, understanding, desires, plans, etc. to pick up God's plan and desire for us – including our habits, lifestyle and actions. These acts of surrender are never unnoticed by God, even the smallest of things as we perceive them.

God is so well pleased with a heart that comes to Him asking to reveal its weaknesses and unpleasant parts for the purpose of changing them to what is good and pleasing to God. Sometimes we can't see how what we do may affect other people – but if we stay before the Lord with an open heart that can receive His wisdom and instruction, God will work out the kinks that cause others to stumble. We don't even need to know a detailed list, we don't have to even understand – love is a language unto itself and if we allow our hearts to flow in and express the love of God, we will naturally do what is right and pleasing to Him. We know that love is the 'greatest of these' and that God Himself is love.

Sometimes when you hit rock bottom and you are overwhelmed with every kind of evil negative, if you seek out the true love of God you will find every fruit of the Spirit and perfect peace. God wants to fill you with His love first, and then you give that love to everyone. There's no reason to walk around bound and suffering, you can walk in the experience and power of God's unconditional love and freely give to others what you have been truly searching for all the days of your life. He is just a whisper away, and is waiting eagerly to hear your voice. Just open your heart and ask God to take down the walls – and walk in the new life He has for you.

The Second Coming of Christ

by Rev. Astrid Sherriff

John 14:1-4» Do not be distressed. Trust God, and trust me too. 2 In my Father's home there are many dwellings; If it wasn't, I would have already told you. I'll make you a place. 3 and if I go and prepare it for you, I will come and take you with me. That way you guys can be where I am. 4 you already know the way to go where I am going."

The words of Jesus shows the way to eternal life.

Acts 1:10-11, "And while they were with their eyes fixed on heaven, while he was going away, behold, two men in white robes stood by them, who also said to them, Men of Galilee, why what are you looking at the sky? This same Jesus, who was taken from you into heaven, will come in the same way as you have seen him go into heaven." Jesus counts the days with his disciples since his return to heaven.

It was important that the disciples see Jesus ascend to heaven, so they would have no doubt that he was God, and that his home was in heaven. The two men dressed in white robes were angels. Jesus' angels announced that he would return in the same way he had come, bodily and visibly.

At his second coming, Jesus will judge mankind and rule over the earth. We must repent of our sins while there time, working hard proclaiming the good news so that others participate in God's great blessings.

Matthew 24:27, "For as the lightning comes from the east and appears to the west, so also will the coming of the Son of Man be."

Matthew 24:23-26, "Then if anyone says to you, Look, here is the Christ, or look, there he is, do not believe it. Because false Christs and false prophets will arise and will show great signs and wonders, in such a way that they will deceive, if possible, even the elect. I've told you before. So, if they tell you: Look, he is in the desert, do not go out; or look, it is in the chambers, do not believe it".

Matthew 24:36-42» But as for the day and hour, no one knows, not even the angels in heaven, nor the Son, [c] but only the Father. 37 the coming of the Son of man will be as in Noah's time. 38 for in the days before the flood they ate and drank and married and gave in marriage, until the day that Noah entered the ark; 39 and they knew nothing of what would happen until the flood came and washed them all away. So it will be at the coming of the Son of man. 40 Two men will be in the field: one will be taken and the other will be left. 41 two women will be grinding: one will be taken and the other will be left. 42"Therefore keep awake, for you do not know on what day your Lord will come.

Revelation 22:12 "Look, I am coming soon! I bring with me my reward, and I will pay each one according to what he has done. Jesus comes for a clean and spotless church.

Back To Life

by Rev. Kathryn Gore (DoTK)

God is calling His Children back to life. Many have been in the desert, dying of thirst, living in their own will, leaning to their own understanding. When trials come, they find themselves in battle fighting for their very soul to hold on. God spoke that the prodigals are coming home. Some are in the beginning stages of returning home. They feel something needs to change but not quite sure how to go about it. Then there are others who are fully aware that they can no longer live without the Father. They are running home, full speed ahead with great tears of joy, overwhelmed with the goodness of God that has brought them to their knees unto repentance. They know that God has not forsaken them in a time of life or death.

Life is very important. Some of us look at life with a nonchalant attitude but while we are alive as flesh and blood, every second counts.

We live and make mistakes along they way. We fall but we get back up again. Through every trial, we should learn the "why" and grow from that experience. Life teaches us how to draw closer to God.

God does not want His Children to be like the sower in **Matthew 13:5-6, 20-21-** 5 Some fell on rocky places, where it did not have much soil. It sprang

up quickly, because the soil was shallow. 6 But when the sun came up, the plants were scorched, and they withered because they had no root. (Interpretation) 20 The seed falling on rocky ground refers to someone who hears the word and at once receives it with joy. 21 But since they have no root, they last only a short time. When trouble or persecution comes because of the word, they quickly fall away. (spiritual death)

This is what life can do to you when you are not rooted and grounded in the Lord. As we lean upon the Lord, God, the Son and Holy Spirit gives life.

John 5:21- For as the Father raises the dead and gives them life, so also the Son gives life to whom he will.

John 6:63 - It is the Spirit who gives life; the flesh is no help at all. The words that I have spoken to you are spirit and life.

Over the past several weeks, I have felt in my spirit, it's literally life or death. We are at a point where God could close the doors and pass us by once and for all if we continue to choose death. God desires for us to choose life. Deuteronomy 30:19 -I call heaven and earth to witness against you today, that I have set before you life and death, blessing and curse. Therefore choose life, that you and your offspring may live.

If you have walked away from the Father, choose life, and come back home. God's arms are opened wide.

Look Up & Lift Up Your Heads

by Sis. Teresa Michieli

Look up and lift up your heads, because your redemption draws nigh. (Luke 21: 28)

Are you looking up? Is it just a gaze into Heaven or are you really looking, watching to see what I am bringing? Can you see by faith what is coming out of the Heavens? There is much activity taking place. Much has been placed in order, My order, as to how things will unfold. What will be first, what will follow next and what will be the final completion of My plan.

What is this plan my Lord? Am I included in it? Will I be a part of this plan that is unfolding? Wait and see! Yes all My children who are waiting and watching will be amazed of just how much their part will be.

You will carry such power by My Spirit. Lives will be changed by the very existence of My Spirit in you. You have waited and anticipated for this time to come. What is happening even now is just a beginning of this great move of Mine.

Oh, the power, My glory, that will spread across this nation and even this world! None have ever known before. None have ever heard or felt. It is greater than any measure you could even imagine.

My power, My glory will come forth greater in measure than you My children will be able to conceive or imagine.

Why? Because I am God. I am God above all things ever created. That which I created belongs to Me alone. All Mine, and I Will not share it with any. It is My glory, My creation. All that there is. No more will I stand by and watch the evil partake of what belongs to Me. I've had enough! I am taking back everything I created for My glory.

I am coming and I am coming swiftly and that which has touched what belongs to Me will suffer My wrath. I am not a god that can be tempted or fooled. The time has arrived when the evil shall fall. Just as I kick lucifer from Heaven because he wanted what was mine, I will bring judgment on the evil ones who have tampered with what belongs to Me.

What you are about to see is My hand of judgment coming forth on this Earth for those who have turned their back on Me and chosen to follow the evil one who has captured their soul.

No more will I continue to allow what is taking place to My little ones. No more will I stand by and watch the torture My loved ones have gone through.

No, time is up! Too much time has passed already. I am the only God, the True God. There is none like Me nor will there ever be. I create and I destroy. Destruction is on the way, My children. Destruction against this evil.

Get ready to celebrate! Celebration is on the way. All Heaven is celebrating already.

Can you believe? Can you stand in faith? You will see with your own eyes My children. You will fall down, praise and worship Me as your own one True God who has spoken and shall bring it to past.

My words are sealed. I will not change them.

God's Year of Judgment and Justice

by Rev. Aaron Betz

Hebrews 4: 13 Nothing in all creation is hidden from God's sight; everything is uncovered and exposed before the eyes of Him to whom we must give account.

2022 will be a year of Justice and Judgment. The tides of God's Grace that have gone out in previous years have now returned to Heaven. If we grabbed a hold of this grace, it has brought us before God and seated us in our proper position of Honor, Rule, and Authority.

2 Corinthians 6: 1-2 As God's fellow workers, then, we urge you not to receive God's grace in vain. 2For He says: "In the time of favor I heard you, and in the day of salvation I helped you." Behold, now is the time of favor; now is the day of salvation!

The accounting is done

and the decisions have been made. God is calling 2022 a year of division: A year when all things will be divided properly. Our blessings are accounted for. Our enemies have been accounted for and our walk with God has been accounted for.

Luke 8: 17-18 For there is nothing hidden that will not be disclosed, and nothing concealed that will not be made known and brought to light. 18 Pay attention, therefore, to how you listen. Whoever has will be given more, but whoever does not have, even what he thinks he has will be taken away from him.

God says: Dear ones: Where has My wooing brought you? Have I captured your heart? Am I going back? Going back to where I say; there is nothing back there. I have shut the doors of danger behind My beloved. I have clothed you in rich linen. I have set you each in spots of gratitude and safety. Maintain this stance. Maintain this new beat of your heart which has you po-

sitioned within the heavenly places. Grasp the horns of the altar and preach children. Preach even to Me. {Say} God, you said! God, Your Word says! God, Your Will is! Get in tune with Me in this brand-new year: a year of upgrades and a year when all will truly see who is Mine and has been Mine and who has been playing the game of the fool.

I see some slipping out of their seats in the heavenly places due to {lack of} love walk and character. There have been things in the way of some; some things that they would not allow God to deal with and now these hard things that were in their heart are now on their seats. It will be an uncomfortable time for these to truly be seated before God at this time.

Galatians 6: 7 Do not be deceived, God is not mocked; for whatever a man sows, that he will also reap.

1. Frogs; 2. blood; 3. Daughters; 4. Gold; 5. Sinai; 6. Moses; 7. Egypt; 8. Golden; 9. Lice; 10. Drank; 11. river; 12. Three; 13. Rod; 14. Destiny

IN CONGRESS, JULY 4, 1776.
A DECLARATION
BY THE REPRESENTATIVES OF THE
UNITED STATES OF AMERICA,
IN GENERAL CONGRESS ASSEMBLED.

1 Year Anniversary: The Faked Insurrection of January 6, 2021

January 6, 2022, marked the 1 year anniversary of the faked insurrection against the Capital. Good men did nothing and evil has triumphed. I wish we had true journalists. I wish we had true Statesmen like we used to have in the days of old. Today we have nothing but slimy politicians who are out for their own political gain. We have greed and corruption in the deepest ranks of the members of our Congress. A scary amount of these men and women refuse to stand with truth and righteousness.

The lies that have been told and are continuing to be told about January 6th, 2021, will go down in history as one of the greatest delusions of our time. No one defended the supporters of President Trump on January 6th, 2021. They were not given the benefit of the doubt. They were tried, convicted and condemned by the corrupt media. This was planned, coordinated and supported by those in the "Deep State" who did not want to see President Trump ascend to his rightful place as the President of the United States.

I have never believed that those people who went to Washington D.C. with their families (Women, infants, and children) went with the purpose of destroying buildings and committing acts of vandalism. Why would they put their families at risk like this? This is not logical at all. I will never believe that the supporters of President Trump who were in Washington and the Capital complex had anything to do with the "Faked Insurrection" that took place on the Capital on January 6, 2021. The Media has done an excellent job at keeping the truth from coming out about who are the real perpetrators.

What is disturbing to me the most is that there are no journalists, Senators, or Representatives from any State who are willing to put their necks on the line to investigate this story. There are no journalists who are objective enough to get to the truth. It is just assumed that the supporters of President Trump did this. This is not the truth. This is far from the truth. This further proves to me that there is a coordinated effort to hide and mislead people.

I believe the purpose of hiding what really happened on January 6th, 2021 is play out a story line that causes people to think that "White American Males"

WHEN in the Course of human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume among the Powers of the Earth, a new and equal Station, in which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation.

were unhappy about the rigged election and they were gonna show the world what they thought about this. I do not believe for a second that the supporters of President Trump had anything to do with the destruction of the Capital or any of its infrastructure. It is clear to me that a cover up is going on. This cover up continues to be supported by not only the Media but the Members of the Senate, and the Members of the House of Representatives of the United states.

I find it completely absurd that no one in the Senate or the House of Representatives is demanding investigation into the truth. They are just sitting with their hands folded, doing nothing. We do not have a Media member who will think independently and perform real acts of journalism. All we constantly being placed before us is images and a storyline that does not fit the actual activities that took place on the Capital.

There are people who are in jail today who have been in jail since January 6th. These people have been falsely accused, their rights have been taken away from them, and their story has not been told. This is a great travesty and this wrong needs to be righted. Along with President Trump being reinstated back to his rightful position as the president of the United States the truth about what really happened on January 6, 2021 needs to come out. We must remove the barriers to the evidence being released. The "Deep State" has got to be destroyed. The truth is this, there were people who were staged at the rallies who were dressed in appearance like those who support President Trump but they did not have the nature or the character of the real supporters of President Trump.

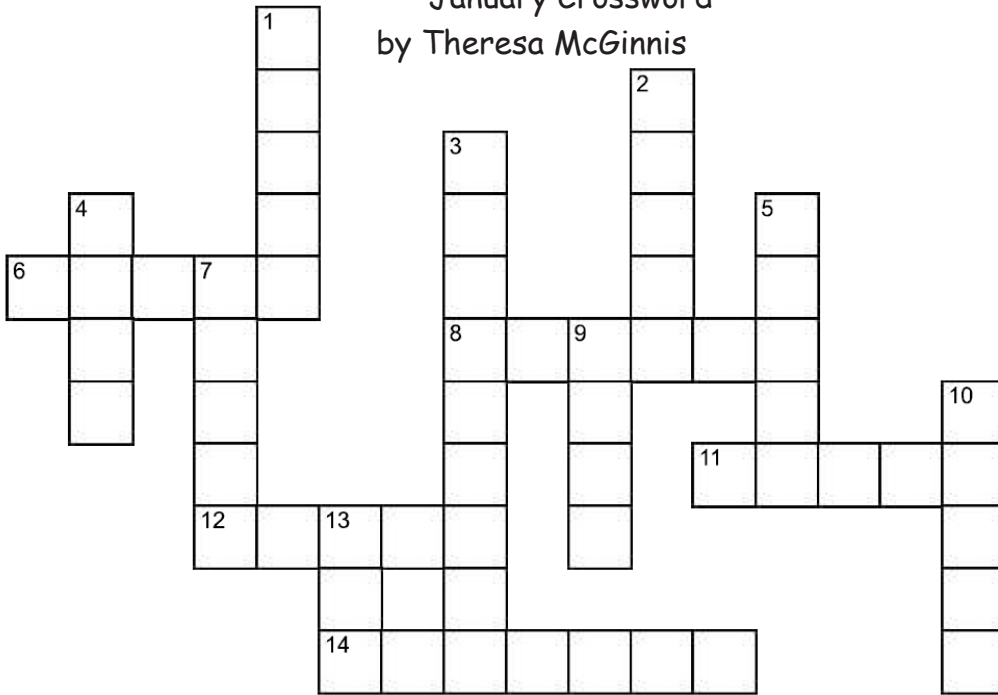

I believe that the real supporters of President trump have his heart, his nature, and his desire for America to be great inside of them. I believe that they want this Country to be better than what it is. They want this Country to stand in the place that God foreordains this country to stand in. I don't

believe "Make America Great Again" is racist in any way, shape, or form. I don't believe it ever has been. What is wrong with having pride in your country? What is wrong with wanting your fellow man to have a better way of living. I don't see anything wrong with that. I see this as the fulfillment of the scripture loving your neighbor as you love yourself. If you don't want your neighbor to be better, to have more, to be taken care of... then there's something wrong with your walk with God.

The mindset that goes on today unchecked by the powerful voices in the media is destroying this country from the inside out. Good men have stood by and watched this travesty take place. President Trump has been deemed the leader of this "Faked Insurrection" based upon his speech that he gave on the morning of January 6. They blame President Trump for the insurrection and the destruction that took place on January 6th. Many people have said that it was his speech that started the riots that started the destruction in the Capital. I, myself, have reviewed the speech transcripts, (They are available) and there is nothing in that speech from President Trump that said, "I want you to go down to the Capital and destroy it for me." There is nothing in that speech from President Trump that said I want you to be disrespectful to the military, to the police, to the older citizens that are there, or to the children that are here.

The Constitution affords us the right to peaceably assemble. We have the right to protest. And it's a shame that "black lives matter" and other socialist organizations can burn down whole cities without fear of any retribution whatsoever. They get a free pass to do whatever it is they feel like doing. Yet peaceful citizens wanting to stand up and defend the truth are being maligned, persecuted, and challenged every step of the way. We cannot sit idly by and let this continue to go on. We must stand up for the truth. We must petition our Senators and our Congressman and remind them what the Constitution says. They need to get a backbone and defend these innocent citizens. Was there destruction that took place on the Capital on January 6th, 2021? Absolutely! Was it the members and supporters of President Trump's campaign? I beg to differ. I challenge you to present evidence. I challenge you to search out the truth. Our country needs people with a backbone.

up to send forth. You are My master pieces in this great chess game of life. You are the wounded warriors that I have healed and am now ready to send forth into a land of conflict, death and destruction. I will use you to heal the land. I will use you to bring in the great harvest of souls. So many lost and dying. So many bruised. So many without hope. But My mighty Joel army will proceed forth and they shall accomplish great feats for Me.

You My children are part of that Mighty Army. You will go forth with nothing but total Victory on your minds. Your mind sets will be the mind sets of Christ and you shall deliver My people out of despair on all sides.

“Since when is the adversary greater than My Father” will be your war cry.

You will set the nations on fire with My Glory. You shall be the champions of this war that is going on between heaven and earth. You shall be the ones that will cause all of hades to tremble. You are the chosen generation that I speak of in My Word. You, My little ones, you are the ones that I have been preparing for “such a time as this.”

I am calling My troops to begin the march that will bring the second coming of My Son Jesus. You are the generation that will carry out My orders and do great exploits for the Most High God. **YOU!**
