

Greetings: Fellow Believers

2023 was a very eventful year, full of surprises, some good and some bad, and new paths placed before our feet. These new paths have sent us into places we never thought we would go and into a new realm of God's Heavenly Kingdom, where all things are possible.

In this place of possibility, God started to prepare the Body of Believers to walk in the supernatural, with Great Signs and Wonders following.

The Peter anointing was placed upon all who have faith for the impossibles to become possible. This new anointing our Father gave all those who had faith to receive will now begin to move every mountain that has stood in our paths, hindering what God has called His children to produce. **{LIGHT}**

During the revival, **{When the Light Shines,}** God dropped His Glory in the Fall as He promised, and we have witnessed the supernatural in many areas.

But we can't dwell on what was; so much more is coming to the True Believers in 2024. **New doors of opportunity, Church growth, Great Signs, Wonders, and Miracles** at every turn. **The Greatest Harvest of Souls the church has ever seen.** Once again, The days of Pentecost have descended upon the church. **GOD IS IN OUR MIDST, and HE IS NOT LEAVING.**

Children of God, {WELCOME IN 2024,} A BRAND NEW YEAR, where all things are possible to those who believe. **Mark 9:23**

In Christ
